Dowsing: An an Important Aspect of Spiritual Development

- **Want to learn one of the easiest and fastest ways to increase your vibration?**
- **Are you curious about what kinds of pendulums work best for spiritual development work?**
- **Are you ready to accelerate your growth in the Golden Era of Aquarius?**

Join us for an evening of discovery as we reveal the dowsing history of our ancestors and connect it to the latest cutting-edge scientific knowledge and modern dowsing achievements.

The Era of Pisces was a relatively slow one where many tried to find a shortcut to their spiritual growth. They desired to achieve a level of awareness, which would allow them to communicate with higher dimensions. In preceding Eras the knowledge had always been passed from generation to generation but, at a point just before the start of the Age of Pisces, this knowledge vanished. Why was this?

Now as we are at the dawn of the Golden Era of Aquarius we have so much more available to us. Being an Era vibrationally governed by frequency of gold and on material level ruled by silver, everything is speeding up and occurring much more quickly than previously. You may be already experiencing this. Have you realized that everything and everyone tries to be "quick like a silver"?

However, the Vibration of Gold with its golden light and holding ability can serve or assist us in our expansion. Dowsing tools operating on this vibration can support our efforts to develop in a stable manner, allowing us to go further, higher and be better.

All are welcomed as we discuss these exciting times where we are bridging science with spirituality!
